Independent Auditors' Report on Review

Board of Directors

OAO Severstal

Introduction

We have reviewed the accompanying consolidated interim condensed statement of financial position of OAO Severstal (the "Company") and its subsidiaries (the "Group") as at 31 March 2011, the related consolidated interim condensed income statements, consolidated interim condensed statements of comprehensive income, changes in equity and cash flows for the three-month periods ended 31 March 2011 and 2010, and selected explanatory notes (the "consolidated interim condensed financial information"). Management is responsible for the preparation and presentation of this consolidated interim condensed financial information in accordance with International Financial Reporting Standard IAS 34 Interim Financial Reporting. Our responsibility is to express a conclusion on this consolidated interim condensed financial information based on our reviews.

Scope of Reviews

We conducted our reviews in accordance with International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of consolidated interim condensed financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our reviews, nothing has come to our attention that causes us to believe that the consolidated interim condensed financial information as at 31 March 2011, and for the three-month periods ended 31 March 2011 and 2010 is not prepared, in all material respects, in accordance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*.

Subsequently, the Group sold its 50.8% stake in Lucchini S.p.A. to the Majority Shareholder for a total consideration of ≤ 1 (US\$ 1.2 at the transaction date exchange rate). The Group continued to consolidate the Lucchini segment primarily due to a call option exercisable within the following five years and a contractual entitlement, for the benefit of the Group, to any gain on a subsequent sale of this stake to a third party.

In February 2011, the Group signed an amendment to the Lucchini's share purchase agreement with the Majority Shareholder which cancelled the call option and the entitlement, for the benefit of the Group, to any gain on a subsequent sale of this stake to a third party. Effective from the date of this transaction the Group accounts for the investment in Lucchini using the equity method.

In March 2011, the Group sold its 100% stake in Severstal Sparrows Point LLC, Severstal Warren LLC, Severstal Wheeling Inc and a 50% stake in Mountain State Carbon LLC. Preliminary, the total consideration is assessed by management in the amount of US\$ 156.4 million. In accordance with the sales-purchase agreement the ultimate amount of consideration is to be finalized within 120 days after the transaction. The remaining share in Mountain State Carbon LLC of 50% is accounted for using the equity method.

Upon the deconsolidation the Group's investments in Lucchini and Mountain State Carbon LLC are stated at fair values of US\$ 0 and US\$ 116.1 million, respectively, with the difference on remeasuring to fair value recognized within the net loss from discontinued operations. The fair value of the investment in Mountain State Carbon LLC is measured on the preliminary basis. The final fair value assessment is expected to be completed by the end of 2011.
