COMSTAR - United TeleSystems OJSC Moscow	In accordance with the terms and conditions of the Contract, for the unique purpose of providing to subscribers telecom services set forth therein, the PARTIES thereto shall establish ACCESS POINTS to provide SERVICES on the basis of licenses issued by the RF Ministry of Communications under No. 33120, No.33121, No.33122, No.18300 и No.18589, No.21780, No.17333, No.37370 to MTS OJSC and under No. 12552, No.12553 to COMSTAR and accordance with standards approved by WiFi Alliance. Each PARTY shall provide SERVICES to SUBSCRIBERS independently. Except for cases stipulated in the Contract, each PARTY shall be fully free in its business; the PARTIES thereto shall not possess, establish or obtain common property. The PARTIES shall not have any common liabilities. Neither PARTY shall be entitled to carry on business relating to the implementation of the Contract on behalf of both PARTIES. Each PARTY shall carry on its business independently. Carrying on business of both PARTIES by one of the PARTIES is allowed only in cases expressly provided for in the Contract. The PARTIES agreed that at the first stage, COMSTAR shall establish at least 75 ACCESS POINTS within 6 months following signing this Contract and 150 ACCESS POINTS within 12 months following signing the Contract to ensure the PARTIES' business hereunder.	The PARTIES shall share revenue obtained from SERVICES provided to SUBSCRIBERS in the approved ACCESS POINTS. Revenue shall be shared between MTS and COMSTAR based on the report on implemented services in each ACCESS POINT. The settlements between the PARTIES for the provision of services shall be conducted based on results of the monthly reconciliation in the following order: The PARTIES shall make reconciliation on a monthly basis for each expired month (REPORTING PERIOD). The PARTIES shall share revenue from providing SERVICES in ACCESS POINT premises at the ratio of 50% and 50% (50%-the share of MTS, 50%-the share of COMSTAR). The PARTY which shall pay to another PARTY in accordance with reconciliation results shall make payments within the period not exceeding 10 banking days following signing the act of reconciliation completion.	AFK Sistema OJSC as an entity which owns over 20% of shares in MTS OJSC and whose affiliate is COMSTAR United TeleSystems OJSC; MTS OJSC Board of Directors member (Chairman) Mr. V.S. Company MTU-INFORM CJSC	Establishment and agreement on the procedure of interaction between parties when granting services on placement of communication equipment of Company MTU-INFORM CJSC on MTS objects, including communication towers of MTS.	Prices for services on placement of the set of Comstar equipment on communication tower of MTS, consisting of 4 sector antenna of base station and one or two on-air antennas with diameter of 0,6m or 1,2m are determined on the basis of USD 1200 for one antenna-place per year without VAT, which is additionally charged at the rate established in accordance with the Russian legislation. When calculating prices for the services in relation to each object the ratio taking in view height of placement is used. It is equal to: 1 (one) – for heights less than 60 m; 1,3 (one point three) – for heights from 60 to 100m; 1,5 (one point five) – for heights higher than 100 m. When calculating the mentioned ratio is multiplied by total cost of placement of the set of equipment. In relation to each object the parties agree upon separate ratio. Price for the services on placement of equipment of data transfer systems on MTS objects is USD 1200 (one thousand two	AFK Sistema OJSC as an entity which owns over 20% of shares in MTS OJSC and whose affiliate is Company MTU-INFORM CJSC	Placement of communication equipment.

		hundred) per year for one stand (600x300) without VAT. Price for the services on lease of fiber optic is USD 10 (ten) per year for 1 км of fiber optic without VAT. Price for the service on lease of digital channels 2 Mbit/sec is USD 500 (five hundred) per year for one channel without VAT.
