#### Notes to non-audited consolidated financial statement For 6 months of year 2005 (thousand rubles)

#### 1. General information

#### **Authorization of accounts**

Non-audited consolidated financial statement of OJSC "VolgaTelecom" (the "Company") and its subsidiary companies (jointly – the "Group") is drawn up for 6 months of year 2005.

#### Basis of non-audited consolidated financial statement preparation

IFRS OJSC "VolgaTelecom" statement for 6 months of year 2005 is presented to the extent of accounting balance sheet, income statement and also notes to the financial statement. This statement does not contain all required disclosures in accordance with IFRS; however, its volume is sufficient to have the idea of financial standing and the results of the Company's activity for 6 months of year 2005.

OJSC "VolgaTelecom" presents IFRS 6 months' statement for the first time; earlier such statement was not presented. This statement is non-audited consolidated financial statement of OJSC "VolgaTelecom". The procedures of audit, review or other similar procedures will not be carried out in the case of the statement. At the same time taking into account OJSC "VolgaTelecom" experience in presenting IFRS statements, the Company believes that the users of the financial statement may rely on it.

OJSC "VolgaTelecom" and its subsidiary and associate companies maintain accounting records and prepare its statutory accounting reports in Russian Rubles and in accordance with the Regulations on Accounting and Reporting in the Russian Federation. This non-audited consolidated financial statement was prepared on the basis of non-audited financial statement of OJSC "VolgaTelecom" and its subsidiary and associate companies drawn up in the format meeting IFRS standards taking into account the assumptions described below.

When preparing this non-audited consolidated financial statement OJSC "VolgaTelecom" carried out smaller volume of procedures than the one that could have been carried out when preparing annual consolidated financial statement. In this connection OJSC "VolgaTelecom" made assumptions, including of the cost of obligations for retirement benefit plan, unearned revenue, provisions for depreciation of fixed assets, and commodity stocks. Actual values of financial statement for the year ended on December 31, 2005 may differ from the values of this financial statement due to adjustment of information about the assumptions made by the Company and occurrence of other new information.

This non-audited consolidated financial statement does not contain the information about comparable values of financial statement for 6 months of year 2004. For the purposes of comparison OJSC "VolgaTelecom" presents financial values of audited statement for the year ended on December 31, 2004 and as of December 31, 2004.

The content of notes to non-audited consolidated financial statement of OJSC "VolgaTelecom" does not disclose the entire completeness of the information, the disclosure of which is required to meet IFRS. The content of notes to annual consolidated financial statement of OJSC "VolgaTelecom" may disclose the information in larger volume that it is disclosed in this non-audited consolidated financial statement of OJSC "VolgaTelecom".

#### 2. Property, Plant and Equipment.

Property, plant and equipment are stated at acquisition or construction cost less accumulated depreciation and any impairment in value. For property, plant and equipment acquired prior to January 1, 2003 the fair value on January 1, 2003 is used as actual value (see Note 2) in accordance with the exception stipulated by IFRS 1.

The Company applied the exception permitted by IFRS 1 allowing for the organization to evaluate property, plant and equipment as of the date of transition to IFRS at fair value and to use this fair value as the actual value of property, plant and equipment.

Management assumes that book value of all property, plant and equipment of the Company is approximately comparable with their fair value, but, nevertheless, it intends to involve an independent appraiser to confirm this fair value and accordingly the book value of property, plant and equipment may be subject to adjustments.

Property, plant and equipment are depreciated on a straight-line basis over the estimated useful lives of each group of asset as follows:

Buildings and constructions	50 years
Analog switches	20 years
Digital switches	15 years
Other telecom equipment	10 years
Transport	5 years
Computers, office and other appliances	3 years
Real estates	Not depreciated

For the purpose of disclosure of values of consolidated financial statement for 6 months of year 2005, Property, Plan and Equipment are aggregated into the following groups:

- Buildings and constructions;
- Switches and transmission devices;
- Work in progress and equipment for installation;
- Other property, plant and equipment in which computers, vehicles and other items are included.

	Buildings and constructions	Switches and transmission devices	Work in progress and equipment for installation	Vehicles and other property, plant and equipment	Total

#### 3. Intangible assets and goodwill

Goodwill is excess of the cost of acquisition over the Company's share in the fair value of net identifiable assets and liabilities of the subsidiary or associate company as of the date of acquisition. Goodwill on acquisition of subsidiaries is recorded in intangible assets. Goodwill is not amortized, but at the same time it is analyzed annually or more often for depreciation if some events or change of circumstances testify to potential reduction of its book value.

Obtained licenses and software are amortized in equal shares over useful life of these assets equal to the license validity term or software user rights. The period of useful life of other intangible assets is equal to 10 years.

In case of revealing the signs of reduction of intangible assets cost, the book value of each asset is made, and if the reduction of cost is detected, the book value is immediately reduced to recoverable amount.

	Goodwill	Licenses	Software	Other	Total
Depreciated cost as of December 31, 2004	325 097	149 953	1 590 309	102 109	2 167 468
